

Course Equivalency Guide

Bellevue College to DigiPen Institute of Technology

The following table lists course equivalencies for transfer from Bellevue College to DigiPen Institute of Technology. Transfer equivalency is subject to change. To be considered for transfer, courses must appear on an official transcript with a grade of B- or better and must have been taken within the last 10 years. For more details, please review our transfer credit policy at: digipen.edu/admissions/how-to-apply/for-transfer-applicants

Transfer credit is evaluated with respect to a student's degree program at DigiPen. To be accepted, it must satisfy a course requirement for the degree program. For a better understanding of how your transfer credit might apply, review your program's specific degree requirements by visiting: digipen.edu/admissions/how-to-apply/for-transfer-applicants#degree-requirements

Waived Courses

Students who complete a minimum of 90 college-level quarter credits with a cumulative GPA of 2.0 or higher prior to attending DigiPen may waive COL 101 to be replaced with 1 semester credit of open electives.

Bachelor of Science in Computer Engineering: Students who successfully transfer courses equivalent to 28 semester credits at DigiPen when entering the BSCE program may replace ECE 110 with 3 semester credits of STEM electives and may waive CS 100 with successful completion of both CS 210 and CS 211. For more information regarding STEM electives, please see the DigiPen Course Catalog or visit: digipen.edu/academics/course-catalog
