

2023–2024 Student Directive for Disbursement of State Student Aid

Student's First Name: _____ Student's Last Name: _____

Colleague ID: _____ Email: _____

You have been awarded student financial aid from the State of Washington. Your designation and signature on this form will document your choice to allow the funds to either be applied directly into your student account or be given directly to you in the form of a check.

A state grant recipient has the following two choices:

- Choosing to have the funds deposited to your student account permits the aid to be automatically credited toward expenses you may owe to the school.
- Choosing to have state financial aid funds given directly to you means that state student aid will not be automatically available to pay for tuition and fees. You will be responsible for using the funds to pay for educational expenses including any expense you owe to the school.

PLEASE CHOOSE ONE OF THESE OPTIONS:

- I choose to have state student aid **funds applied directly to my student account** and be automatically credited toward expenses I owe DigiPen Institute of Technology.
- I wish to have state student aid **funds given directly to me** (not credited to my student account). I understand that I am responsible for all outstanding balances on my student account at DigiPen Institute of Technology.

Your choice will stay in effect as long as you are enrolled at this school. However, you may change your directive for a future term by informing your Office of Financial Aid in writing.

TYPED SIGNATURES ARE NOT ACCEPTABLE, please physically sign form.
