REVISED DATES FOR SPRING START 2023

Hey, new Dragon! You may have noticed some of the information printed in this booklet doesn't quite match up with your timeline as a spring start student. That's why we're including this supplemental sheet, which includes all of the important dates and deadlines for you.

We still recommend that you go through the main booklet, because it's full of helpful instructions and reference info regarding your student credentials, campus services, and more. If you still have questions for any items not covered here, please don't hesitate to contact any offices listed on the back of this insert.

**We can't wait to welcome you on campus this January!**
